

Do you want an indoor, full-sized, public swimming pool in your area?

Minehead Swimming & Leisure – a Community Benefit Society, run as a Co-operative – is planning for a new pool and leisure centre to be open in 2029 in Minehead. By joining the Society now, you can show your support for the project, receive updates on progress, and come to member meetings where you can participate in decision making. **Download a membership application form from our website today!**
